

OFFICIAL BALLOT RESULTS
SPECIAL TOWN MEETING - TUESDAY, DECEMBER 3, 2013

ARTICLE A:

Shall the bonds of the Town of Shaftsbury in an amount not to exceed Nine Hundred Ninety-Five Thousand Dollars (\$995,000) be issued for the purpose of construction of a new Shaftsbury Town Garage, salt shed, access road, and related infrastructure on town-owned land adjacent to the Shaftsbury Transfer Station on North Road?

State funds are not currently available for this project. It is unknown whether any state construction aid will be available for this project in the future. If funds do become available (which we do not anticipate) they will be used to offset bond indebtedness on the project with the payment of debt service thereon. The Town assumes responsibility for all costs incurred in connection with all temporary and permanent borrowing for this Project.
